Re: US Patent Number 6,979,576; Serial Number 08/900,559

Dear Sirs,

CPI paid the 4th-year maintenance fee for the above-mentioned patent on June 29, 2009 at the small entity rate. Since then our client has advised that this case qualifies for large entity status. Please find attached the large entity assertion for this case.

Please deduct the difference in fees from our Deposit Account No. 03-2641 to ensure payment of the 4th-year fee at the large entity rate plus late fee. Also, please update the Patent Office website to reflect that the 4th-year fee was paid at the large entity rate.

Thank you for your assistance in this matter.
